1. Lamb & Saltmarsh's Tycadno Shining Star. This 6 mth old wheaten is very much a baby but I thought he shows plenty of promise. He pleased for type and presented a good outline with neck of correct length to balance, firm topline, ribcage carried well back and tail of good set and carriage. Most appealing head and expression with good breadth to skull for age, very good eye and ear and scissor bite. Good angles front and rear but needs to fill out in front. Moved out freely with attitude and enjoying his day out. Reserve Best Dog.

1. Clarke's Furythor Mr Bojangles by Lentrica. 2 yr old brindle. Soundly constructed lad who was good to go over and pleased for type. Moderate length of neck, level back, good length to ribcage, muscular loin and tail correct for set and carriage. Masculine head with good skull and proportions, expressive eyes, ears of good set and scissor bite. Pleasing angulation both ends, well developed chest and standing on good feet. Moves freely with good carriage. Good texture to jacket. Best Dog & BOB.

1. Lamb & Saltmarsh's Birselaw Come Dancing with Macmoon OSW JW ShCEx ShCM. 7 yr old brindle presented in good condition and well handled. Pleasing outline with good neck, level topline and tail good for both set and carriage but would like to see more length to ribcage. Head of good proportions but could have a tad more breadth to skull, expressive eyes and good furnishings. Moves pretty well all through. Best Veteran.

1. Clarke's Furythor Born to Sparkle. 7 mth old brindle who appealed for overall type and carries nice bone. Neck of correct length, firm level back, excellent ribbing for age, muscular loin and tail good for set and carriage. Most attractive head with feminine expression; super eye and ear and correct dentition. Moving very well on the go around and true when coming towards, just a tad closer behind. Excellent jacket. Quite the character! Best Bitch, Best Puppy & Best Junior.
