

Border Union Championship Dog Show – Judge Mrs P Clarke

I would like to thank the competitors who stayed and those who placed entries over a busy weekend of showing our Breed, on a blustery a rainy day .

YD.

1. Purvis Mossspur Time And Time Again Wheaten brindle with correct mouth and stop neatly placed ears ,correct length of neck into level topline good tail placement correct coat and good angulation, correct length of back will watch him in the future with interest.

PGD. 1a

1. Keeves . Seevek Carry On The Dream 23 months Red Brindle , good stop and mouth correct skull Shape and neat ears , coat short but in correct texture good angulation , and correct proportion.Level topline held on the move moved well, a little unsure today but hopefully that confidence will come .

LD.4. 1a

1. Dennis, Waites & Goddard .Good Times Ahead With Oudenard. Red Brindle larger Male but in proportion , strong male head with good fore chest ,correct mouth and stop , nice reach of neck in good lay of shoulder and level topline correct tail set , Moved freely and showed well considered for DCC but preferred 1 on the day RDCC.
2. Miller's Cornton Fyne Fettle .Brindle with correct mouth , stop good , ear set good and eye colour , jacket correct texture good front movement kept his topline on the move just preferred movement on 1 today .
3. Brooks . Seevek Danish Delight at Zetamaz.

OD 1. 0a.

1. Felters & Reumens Landbuck Kingsman dark brindle . Lovely dog with everything in the correct place and size Correct mouth and stop with good skull and correct ear Placement , good length of neck into excellent lay of shoulders , with good spring of rib , level topline and correct tail placement also His angulation was good with good bone , and moved with drive and freely around the ring Please to award him DCC & BOB watched him in the group never put afoot wrong .

VD.1 0a.

1. Lamb & Saltmarsh Birselow Dark Charmer For Macmoon shcm. Grey brindle. Enjoying his day with good mouth and stop Eye colour and shape correct , and in good jacket tail set good topline good held on the move correct angulation and moved with drive and attentive to handler Pleased to hear he went Veteran G1.

PB 4. 1a.

1. Waugh's. Glory days at Tribannion Lovely Wheaten girl with a very feminine head lovely mouth and correct stop , eye colour and shape good Lovely length of neck into correct shoulders , good fore chest , correct length of back she stood well and moved with drive and had the cheeky expression we love to see and of good structure .BPIB
2. Percy's Winetta Frankly my Dear.

Wheaten puppy with dark points in correct puppy coat She had correct mouth and stop with neatly placed ears Level topline and good tail set she felt good to go over on the table but very excited to day so hard to access her Movement but liked her attitude.

3. Purvis Springtimerose

JB 2. 0a.

1. Jobling's Ariom Full of Sass .Wheaten girl lovely bitch with good mouth and stop Correct skull shape with nicely picked ears ,typical cairn expression good spring of rib level topline and carried her tail well , covered the ground well and handled well , her angulation is good and correct coat .will watch in the future With interest .
2. Brenndarcy Doonrae Rebel Rebel among Brenndarcy Nice bitch to go over on the table correct mouth and stop Good head and eye shape correct length of neck , level topline into correct tail set , coat of good texture, but today Just not cooperating with handle on the ground when moving could change places another day if movement moves better.

PGB. 2. 0a.

1. Keeves Everlasting Dream . Dark brindle bitch. I very nice feminine bitch with very good mouth and stop feminine head with neat ears , good flow of neck and shoulders. Level topline and carried her tail well ,good movement front and rear her jacket was of good texture just needed a little more head and body furnishings to complete the picture Considered for RBCC another I will watch with interest .
2. Catto's Birselow Walk Right Back . Wheaten bitch with that typical cairn expression and Good construction, her mouth and stop are correct With Good eye shape and colour , nice neck length and shoulders , kept her topline and tail set good , nice angulation and moved ok , but unsure of her self today but I'm sure that will come .

LB

1. Millers Cornton Fyne Hope. Wheaten brindle girl of nice make and shape correct in mouth and stop, level topline , using her ears well today In good jacket would have liked a little better trimmed Move ok .

OB . 4. 2a.

1. Dolan's Whispers at Dawn at Glenrood JW Wheaten bitch of correct size and proportions Feminine head with good stop , good spring of rib ,her angulation is good and moved correctly around the ring keeping her level topline jacket in correct and covered the ground well ,admired this bitch from ring side .BCC.
2. Lund's Cairngold Brandy Snap by Jorvikairn Red bitch of smaller size but in proportion , mouth and stop good level topline and correct tail set she stood well on the table and moved ok but seemed a little off on her right hind leg when moving but had been told she had slipped of the grooming table that day , as I have seen her move correctly in the ring before so must have been a little sore .But a nice showy bitch .
