1. Furythor Mr Bojangles by Lentrica (Clarke). Grey brindle nice young dog. Nice head, nice dark eyes, good earset, good bite. Already very good coat. Good reach of neck, well laid shoulders. Sufficient forechest. Good tailset. Efficient mover, still a bit loose in front.
2. Furythor Orion (Young & Lithgow). Litter brother to 1. Also a nice young dog with slightly more red in his dark brindled coat. Good head and expression with dark points. Slightly longer in back but still balanced. Good tailset. Back movement parallel, front still a bit loose. Ring training should improve more steady movement.

1. Glenrood Galaxy at Tribannon (Waugh). Excellent upstanding dark brindle powerful dog with good head and expression, good eyes and ears well set. Good stop. Today not in his best coat. Nice length of leg. Straight front. Good reach of neck flowing into shoulders. Sufficient forechest. Level back holding on the move. Good tailset. Well angulated and balanced. Moved with drive, parallel front and back. RCC.
2. Brendarcy It's Magic (Shannon, Storr & Middlehurst). Nice size wheaten dog with dark points. Well standing over forepaws. Good head and earset. Good eyes, stop and bite. Coat in good order and of good length. Good layback of shoulder. Moved quite well, front parallel. Would prefer more drive behind.

1. Ch Cairngold Chico (Firth). Well balanced red dog with excellent harsh coat. Nice size and well constructed. Excellent head and mischevous expression. Good eyes, bite and stop. Balanced angulation. Good bone. Good tailset and carriage. Straight front. Good length of leg. Not exaggerated in any part. Moved well and parallel with sufficient drive at the back and striding out in front. I appreciate his complete picture. CC.
2. Ch Doonrae Sentinel (Petts). Grey brindle dog of good quality with dark points. Higher on the leg than 1.Good coat, well presented. Nice head and expression. Correct bite. Good dark eyes and ears well set. Nice level back of good length. Would prefer more forechest. Good tailset. Good angulation, moved smoothly but a bit loose in front and a bit narrow behind at times.

1. Brendarcy Witches Promise (Shannon & Storr). Nice young promising red bitch of good construction. Nice head and good eyes, ears and stop. Feminine expression. Good bite. Trimming on neck could improve coat, there is more harsh coat on body. Well angulated. Nice length of leg. Would like to see her once she has bodied up. Moved freely. Front still a bit loose. BP.
2. Svendalens Dancing Queen (Parkin). Dark brindle puppy with pretty head. Nice eyes and ears. Would prefer a better stop. Already a harsh coat. A bit long in body today. At first hard to handle and to move but this finally improved. Still a bit unsettled in front. Ring training will help.

1. Birselaw Caol Ila at Landbuck JW (Felters & Rumens). Excellent grey and red brindle bitch with lovely head and expression. Dark points. Good stop. Correct bite and good eyes. Well balanced body together with front and back angulation. Sufficient forechest. Moderation in all departments. Level back and good tailset. Moved effortlessly with drive. For me the complete package. CC, BOB.
2. Winetta Frankly My Dear (Percy). Nice wheaten bitch of good size. Nice head and expression. Well angulated front and back. Would prefer more forechest. Good length of leg. Had more interest in the scents on the ground but showed that she could move well and parallel.
