

Cairn Terrier Association Breed Championship Show – Judge Mr P Owen

I thoroughly enjoyed my day judging and thank the CTA for the invitation. Thanks also to my steward Sharon Confue who kept the day running smoothly and to the exhibitors for their entries, particularly during these challenging times. I was delighted with my entry overall but noted a number who moved close at the rear and a few long in foreface which detracts from the true cairn expression. Presentation on the whole was good, but coats were at varying stages.
