Cairn Terrier Association – Judge Miss B M Shannon

Firstly I would like to thank the Committee of the CTA for inviting me to judge it's Championship show, also for their hospitality and generous gifts. My thanks also go to my excellent steward Sharon Confue who, on her own, managed to organise the exhibitors ensuring the show ran smoothly, as well as supporting me, making the day stress free and enjoyable.

I had a good entry and thank my exhibitors for entering under me. I was very pleased with the overall quality of the Cairns, no obvious major faults, my only gripe with our breed at the moment is size, there are quite a few up to size exhibits in the ring at the moment, if we are not careful with our breeding this could lead to coarseness. I had some difficult decisions and was pleased with my final line up.
