The Cairn Terrier Club Championship Show - Judge Mrs Julie Petts

Firstly I would like to thank the committee of this club for inviting me to judge Cairns at one of my favourite venues Also thank you to all the exhibitors who brought their dogs for me to judge, I had a most enjoyable day & despite the reduction in entries in recent years, I had some lovely quality dogs to go over. I didn't find any suspect mouths, in fact teeth were one of the areas I feel have improved, I would have preferred a better stop in some exhibits and some would benefit from not carrying as much weight, but I was highly delighted with my main winners.

Veteran D/B – 3 entries.
1st Marchant's Ch Winetta Quest for Fame BVIS
Dark brindle boy, excellent head, with neat correctly placed ears, good stop, in good body condition and correct quality double coat. Moving well once he got into his stride, a worthy Champion who I can't believe is a Veteran. Not using his tail today at times.
2nd Smith's Cannwood Misty Dawn at Gethlee BVB
Wheaten girl, with nice feminine head, good stop and neat well set ears. Excellent quality double coat, moves so well, good topline and tail set, very attentive to her owner.
3rd Lamb & Saltmarsh's Birselaw Dark Charmer for Macmoon Sh Cm VW

Minor Puppy Dog – 1 entry, 1 abs

Puppy Dog – 1 entry
1st Roberton's Cornton Summer Special BPD
Light red boy, nicely balanced youngster, large teeth, neat ears, good length of neck flowing into shoulders, excellent double coat, good tight feet. not keeping his topline at times, and his movement needs to tighten up all round, but he has plenty of time to mature. Very promising young dog puppy.

Junior Dog – NO ENTRIES

Yearling Dog – 1 entry, 1 absent

Post Graduate Dog – 2 entries
1st Young's Furythor Orion
Red brindle boy with excellent masculine head, dark mask, good stop, large teeth. Well sprung ribs, Good quality double coat of correct texture, would like a bit more harsh hair on legs. Good topline and tailset which he held on the move, moved with plenty of drive and responds well to his handler.
2nd Saich's Lindcoly Outta Sight
Dark brindle, nicely balanced, large teeth, smaller mould than winner, lots to like about this boy but just lacked confidence at times. What coat he had was of correct texture but not in full coat. He wasn't using his tail which spoilt his outline, has neat feet and harsh leg hair.

Limit Dog – 2 entries
1st Clarke's Furythor Mr Bojangles by Lentrica DCC, RBIS & BOS
Grey Brindle, very masculine, large teeth, good stop and typical dark mask, using his ears well.
Good forechest, well sprung ribs and supple loin. Correct texture double coat, in great body condition, well muscled quarters, topline and tailset held on the move. Showed so well for his owner, and couldn't deny him the DCC which I later learned was his third. A worthy champion.
2nd Munday's Lentrica Mystic Warrier
Dark grey brindle, masculine dog, large teeth, good ear placement, topline and tail set correct, held well on the move, has excellent quality harsh double coat, more up on the leg than first. Moved and showed steadily.

Open Dog – 2 entries
1st Jones & Arnold's Tycadno Tom Foolery RDCC

Lovely headed light red dog, masculine throughout, good stop and good ears placement. Nice length of neck flowing into shoulder, correct texture double coat, topline and tailset held well on the move, wasn't driving out at the rear at times, but attentive to owner & showed very well.
2nd Waugh's Glenrood Galaxy at Tribannon
Red brindle boy, loved his head, neat ears, correct eye shape, large teeth. Good forechest, good length of neck flowing in shoulders, would have liked a bit better body condition, showed with enthusiasm but his movement was difficult to assess as his mind wasn't on the job today. Double coat, topline and tailset ok.

Same comments apply, winner of PGD
2nd Robertson's Cornton Summer Special

Feminine headed bitch, lovely dark eye of correct shape, good front movement good topline and tailset. Coat of correct texture but a bit short on hind legs. Moves close behind. Showed steadily.

Minor Puppy Bitch – 3 entries, 1 absent
1st Waites' Svendalens Skye Lantern
Wheaten brindle bitch with gorgeous feminine head, neat ears, large teeth, shown in profuse double coat, moved steadily, using her tail well on the move but letting it drop when stood. Good topline, moved well in front, she could do to lose a bit of weight, this would improve her overall balance.
2nd Saich's Lindcoly Just a Dream NAF
Red puppy, another with a nice feminine head, large teeth, correct textured double coat, lovely tight feet, good topline, tail set ok, lots to like about her and I'm sure that she will increase in confidence as she is just 6 months old. Not using her ears and again, letting her tail drop when stood. 2 lovely puppies, but very different types.

Puppy Bitch – 2 entries, 1 absent
1st Saich's Lindcoly Singing Angela
Red bitch, pretty head, would prefer a better stop, large teeth. Good length of neck and nice shoulder placement, double coat of correct texture. Topline and tail good, moved well once she settled.

Junior Bitch – 1 entry
1st Shaw's Tycadno Star Attraction at Honeyhall BCC & BIS/BPIS
Wheaten brindle girl, in my opinion she has the perfect proportions, she has an ultra feminine head but also the keen expression required of our breed, good stop, large teeth, correctly placed ears which she uses well. Good topline and tail set kept on the move, coat short but still a double coat of correct texture. She never stops showing and moves effortlessly round the ring, at one with the handler at all times. Couldn't fault her movement today and she was handled to perfection.

Yearling Bitch – 1 entry
1st Saich's Lindcoly Picture Perfect RBCC
Wheaten brindle bitch, pretty head, using her ears well, very large teeth. loved her size and shape, nice shoulder placement, good textured double coat, good topline and excellent tail set. Not co-operating with her handler at times, but in the challenge she got it together and this earned her the RBCC.

Post Graduate Bitch – 6 entries
1st Munday's Furythor Marvel At Me
Dark Brindle bitch with ultra feminine head, good proportions, neat ears, good eye shape, large teeth, nice length of neck, excellent double coat of correct texture. Well set on tail and good topline which she kept on the move. Shows well and with enthusiasm.
2nd Smith's Cloverbrook Shining Star Over Gethlee

Grey brindle bitch, had an excellent head, good stop, uses her ears well, she is a bigger bitch all round than first but still is feminine, her coat is short but of correct texture, she moves very well in front ,would just prefer her to drive out a bit more at the rear, but she covers the ground well. Good tailset and topline, very attentive to her handler.

Another nice wheaten girl, feminine head, large teeth, neat ears and profuse coat of correct texture. Nice topline and tail set, moved well front and rear. Cooperating well with her handler.
