THE CAIRN TERRIER CLUB – OPEN SHOW – Judge Mr mark Ord

Judging at a breed club show is always an honour and privilege to experience, especially when the atmosphere is welcoming and decisions are taken in a sporting manner. Thank you to The Officers & Committee for the invite, and great hospitality and also to the exhibitors who brought their dogs today. My two stewards did sterling work in running things smoothly.

Puppy D (3-2abs) :
1 & **B.P.D**. Robertson's Cornton Summer Special, pleasing in head shape with well set ears, holds an excellent level top line, has good depth of chest just needs ribs to spring with maturity, well set tail, correct feet, good front movement but slightly close in rear when moving.

Novice D (1) : 1 C Summer S

Limit D (3) :
1 & **R.B.D.** Monday's Lentrica Mystic Warrior, up to size masculine dog both in head & body, in hard muscular condition & good body condition also, strength in muzzle & good dentition, well set ears & good eye set, well set in neck leading into good front, today was more together & settled in movement over 2nd
2 Saich's Lindcoly Outta Sight , prefer the size of this dog but lost out on erratic movement today, very boisterous & full of himself, in good double coat well presented, good size head & pleasing in neck & shoulder, correctly set tail & carried well,
3 3 Lamb's Birselaw Come Dancing With Macmoon OSW JW SHCEX SHCM

Open D (6-2 abs) : 1, **B.D. & B.I.S**. Clarke's Further Mr Bojangles By Lentrica an easy winner for me today & delighted to find out later he had gained his title, worthy winner well done. Most lovely head shape with correct strong jaw, well defined stop, excellent eye & ear placement, lovely expression, in hard muscular condition & coat correct & presented to perfection, correct rib & excellent top line throughout, correctly sized feet fore & aft, sound free mover ;
2 Shannon & Storr's Bendarcy It's Magic, has a good head & neck, prefer front of 1, has good body condition and is of a pleasing size for a male, strong quarters with well set hocks, good tail carriage, in profile preferred top line of 1.
3 Waugh's Glenrood Galaxy At Tribannon

Veteran D/B (4-1abs) :
1 & **B.V**. Marchant's Ch Winetta Quest For Fame on looking in my catalogue after judging I was not surprised to see this male has his title, presents a pleasing outline on stack and moves soundly fore & aft, correct tail length & set, double coat of correct texture & was well presented, well set hocks;
2 Lamb's Birselaw Dark Charmer For Macmoon SH CM VW, a dog I have done well previously and still has excellent movement, full of life and showed himself well, has a good head shape with correct eye & ear placement, sadly is now beginning to lack body condition and also coat condition ;
3 Smith's Canwood Misty Dawn At Gethlee

Sp. Owners D/B (1) :
1 Lamb's Birselaw Dusty Miller, young male with strength of jaw, correct eye placement on a reasonable head, tail well set & of good length, correct sized feet fore & add, moved steady when got into his stride, coat had been clipped so texture was lost, hopefully in time this can be improved.

Sp. New Members (1) ; 1 B Dusty M

Beginners D/B (3) : 1 B Dusty M ; 2 C Summer S ; 3 Munro's Birselaw A Beautiful Dream

Puppy B (4-2abs) :
1 Saich's Lincoln Singing Angela very raw but is ultra feminine and thoroughly enjoying herself, liked her a lot and particularly good in her body shape & condition, very profuse double coat, correct feet & well set

tail carried correctly, needs to develop in head but should have a pleasing future; 2 Dennis & Waite's Sveddalens Skye Lantern longer cast body than 1, profuse double coat, quite mature in her body development, excellent strength of jaw & good dentition, steady mover striding with confidence.

Novice B (4) : A good quality class
1 Saich's Lindcoly Just A Dream just 6 months of age and another from this kennel who was so happy & full of confidence, shows great promise and her enthusiasm will be beneficial, feminine head but has strength in her jaw, correct skull with good ear placement, liked her shoulder set, forone so young moved very well to win this class & B.P.;
2 Smith's Cloverbrook Shining Star Over Gethlee correct size head with well set neck & front, prefer top line of 1, double coat, correct feet & tail set, needs to fill out in her body;
3 Gardiner's Princess Nancy

Grad B (4) : ,
B.B. & R.B.I.S. Shannon & Storr's Brenndarcy Witches Promise very nice bitch who scored highly in her movement over her competition today, pleasing head with well set eye & erect ears well placed, in good muscle tone & carrying just enough weight, has depth to her chest & her ribbing is well sprung, firm in top line, double coat of good texture, well set hocks she uses to drive on the move pushing her forward with free flowing action;
2 Dennis & Waite's Svendalens Snow Drop, moved true but not the forward action of 1, sound rear action with well placed hocks, good in top line, had excellent texture in her top coat which is just coming through & profuse undercoat, carrying a little excess weight today ;
3 Waugh's Dazzle Me At Tribannon

Limit B (2) :
1 Monday's Furthor Marvel At Me not flashy in her showmanship but a very pleasing bitch who on first impressions her top line was not good in profile, I found this was not so when examining her and it was her coat colour & pattern, handy size with well proportioned head, correct in eye & ear, well set front & in excellent body condition & was well muscled, correct double coat of correct texture, moved with a free & easy stride but in challenge had lost her enthusiasm, good feet & tail ;
2 Jobling's Ariom Full Of Sass slightly larger all through but balanced, correct in head shape with defined stop, correct eye & ear placement, double coat & has well set tail, better in rear movement than front.

Open B (5-2abs) :
1 & **R.B.B**. Saich's Lindcoly Picture Perfect correct for size & in profile presents herself well unfortunately a little over enthusiastic at times and was not getting into her correct stride, good head balance, well set neck & shoulder placement was good, in just the right body condition & carrying correct amount of weight, in full double coat of good texture & was well presented;
2 Waugh's Ch Glory Daze At Tribannon excellent headed bitch in excellent coat condition, has good muscular quarters with sound well set hocks, well set tail but was slightly longer than 1, has correct feet & showed herself well moving ;
3 Saich's Lindcoly Maleficent Mo
