

The Cairn Terrier Club Championship Show 2020 – Judge Mr A Small

I enjoyed my day up at Penicuik judging the Cairn Terriers. It was well worth the trip up with some quality dogs to go over. The nice entry of 45 was a bit diminished due to the dreaded Covid, the fuel problem & an outbreak of kennel cough. The enthusiasm of those present certainly made up for it and I have made a number of new friends, with the “whiskey taster” to the fore.

Thanks to my Stewards, Adam & Marie, the latter being thrown in the deep end at the last minute.

The appointment was long delayed due to the Covid restrictions, originally being in March 2020 – mind you, it was well worth the wait and I loved judging your dogs – thanks for coming.
