Lovely Cairn, moved out well from correct shoulders. Well let down in hocks. Correct tail set on. Well balanced head and super expression. Well handled.

- 2nd, Bingham “Carradine Bumbling Boris”.

Not so positive on the move today, super head and expression, well placed ears, well balanced length of body to height, correct feet.

- 1st, Inett / Harrison “Carradine In And Out Mr Sprout” CC and BoB.

Dark brindle, in excellent coat and condition, a very impressive Cairn, both standing and on the move. Super breed type, but I wouldn't want him any bigger. Excellent head. Superb expression, firm neck, correct shoulders, holding a good outline on the move and handled to perfection. Should make up easy. Loved him.

- 2nd, Dennis / Goddard / Waites “Good Times Ahead With Oudenarde”

Typical head, correct pigmentation, strong muzzle. Large perfect bite, well muscled in hindquarters, moved well in super jacket, well presented.

Open Dog: 5 entries, 1 absent

- 1st, Clarke / Jarvine “S Ch DK Ch Fin Cairnster Mr Don Juan (Imp Dnk)” RCC

Impressive dark brindle. Pleasing head, well placed ears, correct bite, good pigmentation, firm neck, well balanced body to hide, correct feet, carrying a little extra weight, but otherwise a very promising exhibit. Handled very well indeed.

- 2nd, Felters / Rumens “Landbuck Kingsman”

Correct head, ears and bite. Preferred his shoulders. Held a firm top line on the move. Correct jacket.

GCD: 2 entries, 1 absent

Puppy bitch: 3 entries, 1 absent – 2 promising exhibits who I feel will change places over the years.

- 1st, Purvis “Springtime Rose” – Best puppy

The sweetest head and expression, good pigmentation, firm in shoulder, holding a firm outline on the move, good angulation, nicely handled.

- 2nd, Percy “Winetta Frankly My Dear”

Another super head with better placed ears, correct length of ribbing, ample bone, correct jacket, well presented.

JB: 4 entries

- 1st, Shannon / Storr “Doonrae Rebel Rebel Among Brenndarcy” – RBCC

Another red girl, sweet expression, dark eye, lovely well placed ears. Holding a super outline on the move once settled. Will watch her development, as when she decides to move, she has good reach from correct shoulders and drive. Very similar to my BCC winner. I see they share similar breeding.

- 2nd, Lund / Long “Lentrica Hocus Pocus By Jorvikairn”

Another lovely headed Cairn. Correct bite, well placed ears, super outline. This exhibit has great promise. Handler not relaxed and this reflected in this exhibit’s movement

SYB: 1 entry

- 1st, Hiam “Carradine Dottie”

Very pretty dark brindled with lovely head and expression, very promising. Held a good outline on the move. In super jacket. Excellent handling.

LB: 1 entry

- 1st, Firth Mr A & Firth Mrs L & Firth Dr A “Cairngold Chiquitita” – BCC

Superb quality bitch in excellent coat and condition, red jacket, well presented. Balanced throughout. Her neck flowed into correct shoulders. Held a firm topline and excellent tail set. One of the very best movers of the day, quietly handled, a show girl. Happy to award her the BCC. I am sure she will become a champion.

OB: 4 entries

- 1st, Kinton “Cloverbrook Unbreakable At Woodthorpe”

Upstanding dark brindle with a lovely headpiece, perfect bite, well placed ears. Considered her for a higher award. Unfortunately in the challenge, she didn’t move quite so well. Good front, well sprung in ribbing.

- 2nd, Inett / Harrison / Clayton “Carradine Jo”

Another dark brindle with the most beautiful head and expression. Correct bite. Shown in perfect jacket. Would prefer a little more length of leg to complete the picture but I’m sure she will do very well. Didn’t move quite so well today.
