

LKA – Judge Mr M King

MPD (1)

1. Shannon, Storr & Middlehurst's Brendarcy It's Magic. Almost 9 mths and maturing well, needs to fill out in head a little more, full coat still to come through, moved true. Best Puppy.

JD (1)

1. Thomas' Tom Tricks Jocan Ty Cadno. No tricks needed to demonstrate quality of this young dog, excelled in coat but this did not distract from natural and balanced appearance, sound movement. Dog CC and another gaining his crown today and topped with BOB.

PGD (2)

1. Byrne's Carradine Howzat Howard. Lacking coat and furnishings to complete the picture today, won class on better movement.
2. Bingham's Carradine Bumbling Boris. Outgoing sort and of sound type, but not as positive on the move as 1.

LD (3)

1. Hiam's Carradine Podgy Paddie. Another who would benefit from more coat, nice overall shape and proportions, moved free and with ease.
2. Brookes' Seveek Danish Delight at Zetamaz. Appealing type, solidly built but carrying too much weight today, coat in very good order.
3. Dennis, Goddard & Waites' Good Times Ahead with Oudenarde.

OD (3.1)

1. Felters & Rumens' Landbuck Kingsman. Lots of breed virtues to admire and not surprised to learn he has already won his title, well proportioned, liked neck and shoulders, moved OK. Res DCC.
2. Saich's Stoutheart Einstein for Lindcoly. Nice type but let down when moving.

VD (1)

1. Saich's Lindcoly Howling Mad Murdoc. 7 yrs and showing no signs of age, strong head without coarseness, good double weather resistant coat, when settled moved ok. BV.

MPB (4)

1. Keeves' Seveek Peaches N Dreams. A little playful and uncooperative and very alert and aware of all around her, saw sufficient positive points to make assessment of her virtues, but a bit more practice and training will improve her performance.
2. Saich's Lindcoly Witches Brew. Longer cast than 1, and coat in between.
3. Saich's Lindcoly Put a Ring on it.

PB (1)

1. Saich's Lindcoly Miss Custard. Standing a little narrow in front which detracted from appearance, body maturing well, good coat for age.

JB (1)

1. Saich's Lindcoly Ocean Dream. Good overall body proportions but would prefer a little more strength in muzzle to balance the picture, good body with well set and well carried tail, would like a little more animation on the move.

PGB (6.1)

1. Soper's Elitecharm Showgirl. Given more time she may well live up to her name, good natural look, liked head and expression and moved soundly as one would expect from one that is made correct.
2. Saich's Lincoldy Golden Mercedes. Larger type than 1 and not as positive in outline, sound on the move.
3. Hiam's Carradine Dottie.

LB (5)

1. Ballinger's Cloverbrook Maid for Gold. Appealing type and did not disappoint as I went over her, liked overall balance, moved true and with confidence. Res BCC.
2. Hooton & Hughes' Penticharm It's My Party. Larger type than 1 but in proportion, coat not at its best, moved OK.
3. Felters & Rumens' Landbuck LaVoix.

OB (4.1)

1. Kinton's Ch Cloverbrook Unbreakable at Woodthorpe. Very pleasing type, attentive and alert, well made head, correct bite, good expression, well made body, level topline with well set tail, strong hindquarters, moved well. Bitch CC.
2. Inett & Harrison's Carradine Jo. Good honest type but preferred qualities of 1 more.
3. Goldfinch's Tycadno Bright Star for Kanawha.

VB (1)

1. Asmyhr's Windline Born to Run Wild. Held shape together well on the move, but a little out at elbows, very good coat.
