Leeds City & District Canine Association Champ Show - Judge Mr Christopher Petts (Doonrae)

Just a few words firstly to say thank you to my 2 stewards who helped the ring run smoothly throughout my judging. First and foremost I would like to thank all of you for showing your lovely dogs and bitches under me I had a lovely quality entry to judge. On another day places could have changed quite easily.
Of the dogs and bitches I judged only a couple had poor stops and the same to be said about a lighter eye which I think can only bode well for Cairns in the future
Some movement need to be observed and worked upon but on a whole very pleased with this entry.
