Midland Cairn Terrier Club Single Breed Open Show (Morning) – Judge Mrs V Byrne

Thank you to the Committee and Officers for their well organised show and to the exhibitors who entered and who all accepted my placings with good favour. I was originally given this appointment for 2020 and all good things come to those that wait.

Class 1 – VD/B
1/0
1st Dolan's Ch Glenrood Scheherazade
An absolute favourite of mine. I had the pleasure of first going over her in 2016 and very little has changed about her since then. An eye catching cream bitch. Very feminine, a beautiful expression and flowing lines. She still strides out well and really doesn't look anywhere near 9.5 years old. (BVIS)

Class 2 – PD
1/1

Class 3 – JD
1/0
1st Waugh's Swing Dancer at Tribannon
A wheaten, presenting a balanced outline. Dark expressive eye, with large teeth and correct scissor bite and neat ears. Held level topline on the move and he has well let down hocks which produced good rear drive.

Class 4 – PGD
5/0
1st Waugh's Glenrood Galaxy at Tribannon
Well up to size but balanced throughout. Large teeth with correct scissor bite, a deep stop and a well furnished head. Good muscle tone and correct angulation both front and rear produced movement with reach and drive. A striking masculine dog that shouts look at me. He lost the plot a bit in the challenge, but so much to like about him. (BD, BOS)

2nd Keeves's Seveek Guilded Dream
I liked this dog for his size and balance. A good quality red coat. Dark expressive eye. Level topline. Movement was fine when viewed from the front and behind but would prefer a little more rear drive.

3rd Bingham's Carradine Bumbling Boris

Class 5 – LD
1/0
1st Munday's Lentrica Mystic Warrior
A masculine and alert dark brindle dog, with a super coat. Balanced throughout and good muscle and bone, standing well forward on forepaws. Deep stop, large teeth and correct scissor bite and a dark expressive eye.

Class 6 – OD
2/1
1st Shannon and Storr's Brenndarcy It's Magic Ai
A balanced, masculine, alert wheaten dog with a good quality coat. A beautiful, dark expressive eye. A deep stop and a well proportioned head, I liked his width of muzzle. Good forechest, neck flows into shoulders and level topline. Tail well set on. (RBD)

Class 7 PB
4/0
1st Munday's Furythor Marvel At Me

11 months old, confident show girl. Feminine throughout. Head of good proportions, correct scissor bite and dark expressive eyes. Good but not excessive bone, well muscled and in great coat. (BPB, BPIS)

2nd Parkin's Svendalens Dancing Queen
8 months old, feminine dark brindle. Balanced throughout. Good deep chest, correct width. Level topline, small neat feet. Handled well but preferred the movement of 1.

3rd Saich's Lindcoly Walking in Menphis

Class 8 JB
3/1
1st Dolan's Glenrood Midnight Spell
An eye catching, feminine dark brindle, presented in good coat. Well proportioned head. Balanced throughout, held level topline on the move, good rear angulation.

A beautiful feminine dark brindle of correct balance. Dark eye, large teeth with correct scissor bite. Well muscled, level topline, tailset spot on. Moved well and showed up on her toes. A lot to like.

2nd Keeves's Seveek Peaches n Dreams
A balanced red brindle in great coat. Dark expressive eye. Showed up on her toes. Preferred the depth of forechest on 1.

3rd Matcalf Sault's Cannwood Can't Get Enough

Class 10 LB
6/0
A quality class, that gave me some tough choices. There was great variety in type.
1st Thompson's Castleline Maitree
Feminine, balanced wheaten, shown in super coat. Good width of head, dark expressive, correctly shaped eye. Level topline, tail well set on. Good muscle tone and a strong supple loin. Correct angulation both front and rear, hocks well let down. She moved with ease showing good forward reach and rear drive. (BB, BIS)

2nd Felters and Rumens' Birselaw Caol Ila at Landbuck
Different in type to 1 but still super quality. A rugged, but by no means ragged dark brindle. Well furnished head, beautiful expressive eye, good width of muzzle and correct scissor bite. Neck flowed into a level topline. Good, but not excessive bone. Correct angulation both front and rear. This was a very close decision, but today she didn't match the flowing movement of 1. (RBB, RBIS)

3rd Dolan's Dance Til Dusk

Class 11 OB

1st Keeve's Seveek Everlasting Dream
Feminine and balanced dark grey brindle. Pleasing expression. Strong jaw, correct scissor bite, good width of muzzle. Neck flowed into shoulders. Well muscled body. Small neat feet and she showed up on her toes.

2nd Lund's Cairngold Brandy Snap by Jorvikairn
A balanced red with dark points. Good quality coat, presented and handled well. Good muscle tone throughout, level topline held on the move. I preferred the width of muzzle on 1.
