**MIDLAND COUNTIES – Judge Mr A Wight**

MPD (4)
1 & BP Clarke & Jarvinen's Furythor Mr Bojangles brindle which is good for size, delightful head, eyes and expression enough neck which he arches well and he has a very good spring of rib. Harshly coated he moved out with a light,positive stride.. Should finish well.
2 Jones & Arnold's Tycadno Tom Foolery this red dog is bigger all through than I like but he is well ribbed, has a decent neck. balanced headpiece and was in super coat. Topline needs to tighten in profile action and he played his handler up a bit when moving. 3 Waugh's Swing Dancer at Tribannon

PD (2,1)
1 Young & Lithgow's Furythor Orion well coated, pleasing head, good tail set and carriage. Moved out steadily.

JD (4)
1 Hiam's Carradine Arfa Pint JW won here on the quality of his head, eyes and expression. He has enough neck, very good spring and depth of rib, level backline, well set and carried tail, in excellent coat and basically sound both ways. Very well handled.
2 Keeves' Seveek Guilded Dream this red was ample spring of rib and hampered by not being in his best jacket. Pleasing head shape, good eyes and ears, Shows good forward reach and driving hock use in profile but a bit close in hock when rear viewed.
3 Lucas & Tobtt's Seveek Country Lad ( Lucas & Tobutt)

PGD (2,1)
1 Shannon, Storr & Middlehurst's Brenndarcy It's Magic (ai) what a good showman this red dog is. Nice for size, ample weight in bone, lovely arch to his neck, good backline and very good tailset and carriage. Pleasing head, eyes and expression, moved out steadily. Lovely coat which is harsh to the touch.

1 Munday's Lentrica Mystic Warrior this dark brindle is a lovely size, of good make and shape and I felt he won this class on the quality of his head properties, eyes and expression. His body length/height balance is so correct and aided by the well set tail. In very good coat he moved out well and is a keen showman
2 Shopland's. Cherrycrack Horatio this red was out of coat in comparison to the winner. He has a well balanced head with a fair breadth in skull, very good eyes and enough reach of neck. Well sprung ribs he moves OK in profile but is a bit wide in elbow when fore viewed.
3 Parker-Tucker's Uniquecottage Grey Bor

OD (6,1)
1 CC & BOB Dennis, Waites & Goddard's Ch Good Times Ahead with Oudenarde (Dennis), in truth I would like him smaller all over but he ticked so many other boxes. He has a beautiful head, eyes and expression aided by neat ears, ample neck with good head carriage,tight elbows with good forelegs and feet, decent spring and depth of rib, tail bang on, harsh jacket which is dense and he was the soundest dog I judged. He is especially effective in profile action.
2 & Res CC Hiam' Carradine Podgy Paddie what a very keen showman this grey dog is. A better size for me with a lovely head carriage, good reach of neck, ample spring and depth of rib and in firm body. Not quite the ear carriage of the winner and I felt his jacket was not quite so fulsome and harsh. But he is sound, well balanced and has that look we seek in a good Cairn.
3 Firth's Ch Cairngold Chico JW

MPB (3)
1 Furythor Marvel at Me (Munday) I just hope this engaging package grows on a bit. She ticks most of the boxes, typey, shapely, well balanced throughout and with a very pleasing head shape, well defined stop, neat ears and a non stop showgirl Moved out so steadily.

2 Dennis & Waites' Svendalens Snow Drop this light red was not quite in the coat condition of the winner and her head lacks work for me so her expression is less varminty than that of the first. She is a better size, is well boned and bodied, moves ok in profile but pasterns need to tighten.

PB (1)
1 & BPB Bubb's Wandris Please Yourself not the biggest but all in proportion. I liked her head and expression, especially good eyes and expression, good body length/height balance, enough reach of neck, level back which she retains on the move and she has a very good spring and depth of rib. Well coated and she moved out with a light, purposeful stride.

1 Dolan's Glenrood Midnight Spell I thought she was the best of a not too strong class. This brindle was in lovely coat, has pleasing head properties with especially expressive eyes and well placed & used ears. Nicely ribbed she kept her backline on the move and showed a good ground cover in profile.
2 Firth's Birselaw Cora at Cairngold another brindle, Just a bit short in length of leg for me, nicely ribbed, a decent headpiece with dark, so expressive eyes. She used her ears well but not the length of stride in profile nor tightness in front of the winner.
3 Metcalfe-Sault's Cannwood Can't Get Enough

PGB (2)
1 Metcalfe-Sault's Cannwood Quiet Reflections this grey wheaten was not in full coat but she has much to like. Lovely length/height proportions, pleasing, well proportioned head with lovely expressive eyes and neat ea adding to her appeal. She is well ribbed, tail so well set and carried and her profile action was steady and balanced.
2 Keeves'. Seveek Licence to Dream this was a very mischievious red who was determined to do things her way and did nothing to help her handler. On the table she has a well balanced head with good ears and a decent stop. I would like her to be shorter in the loin and she needs some schooling to show more positive action when asked to move.

LB (5,1)
1 Inett & Harrison's Carradine Wilma nice for size with correct length/height proportions. Level backline, decent head with very expressive eyes and a good muzzle. She uses her ears so well which enhances her appeal. In excellent coat she outmoved the rest of the class to take the red card.
2 Soper's Elitecharm Showgirl this attentive showgirl scores in head and expression, with beautiful eyes and neat ears. She is built on good lines, just a tad overlong in loin for me. However she moved out briskly and was well coated.
3 Thompson's Castleine Maitree

1st Waugh's Ch Glory Daze at Tribannon I loved the head and expression on this young cream bitch. Just 2 years old I feel the best is yet to come as I would like her to fill her frame out a bit more. However, she is a top quality example of this lovely breed, is ulltra sound on the move, uses her neck to best advantage, lovely tail set and carriage and looks every inch a titleholder. I am sure she will win a few more tickets once she fills out that frame.
2 & Res CC Kinton's Ch Cloverbrook Unbreakable at Woodthorpe another very worthy titleholder, this grey bitch has style and an air of being something special which she is. I liked her head and expression, super neck and outline with well muscled hindquarters a well set and carried tail.. She is so sound in action and was a very worthy runner up to the lovely cream bitch.
3 Hooton & Hughes Penticharm It's My Party

VB (1) 1 Short's Splinterhill's Amazing Grace to Glenchess Imp Nl very dark grey charmer, delightful character, in super coat and condition and still moving around with a lithe, active stride. A credit in body and muscle tone. I loved her bright expression.
