

Paignton – Judge Mr M Walshaw

It was a delight and fun to judge this wonderful breed and I thank you all for your entries. Not the easiest venue to get to for some and I appreciate the time, money and effort of keeping and entering a coated terrier breed in the correct coat and condition. There was enough quality in the entry to select some lovely winners. Good luck to everyone at the future shows.

Class 421 PD (1 Entries) Abs: 0

1st: 1185 MUNDAY, Miss S Lentrica Mystic Warrior. What a cracker to start with. Quality upstanding youngster. Balanced and in proportion. His brindle jacket was in great condition and presented well. Very pleasing through a clean head, correct skull, good sized eye and small ears. Carried on a decent neck. Stood well forward on a correctly angled front. Well bodied through deep ribbing. Stood four square at all times. Strong rear. Covered the ground very well, true and clean from all angles. Sporting a thick abundant jacket to complete the picture. Certainly active and game, He however does need to curb a little of his enthusiasm in the ring and concentrate on the job in hand, I am sure this will come in time. Nice to see him awarded with a puppy group 4 later, even though he again was in naughty mode. Bright future ahead. RCC & BP.
