SKC OCTOBER – JUDGE MRS LINDA SAICH

I would like to thank the Committee and the SKC and especially Gillian Jones Secretary for all the information to help run the two shows. I wish to thank the three lady stewards who had the arduous task of trying to keep the judging going in their selected rings. These stewards started at 8.30am and when I came to do my judging believe it or not at 3pm they still had one breed to follow on from my breed. They all deserve medals. I like to thank the exhibitors for their entries and for staying on for the 2nd Show's judging. It was lovely to have the opportunity to go over our breed and to meet every ones happy go lucky breed. Very pleased to say I viewed excellent mouths, clean coats of proper textures and excellent wicked expressions.
