Scottish Breeds Championship Show – Judge Mr C Petts

I would like to thank all of the exhibitors who travelled to the show on a wet blustery Friday & for letting me judge your lovely Cairns. Not a big entry but that seems the norm in these times, despite that there were quality dogs for me to go over, so once again thank you to all the exhibitors

PUPPY BITCH (1)

1ST Saich's Lindcoly Princess Alva (NAF)
Wheaten girl with feminine head, lovely big teeth and correct bite, excellent quality double coat nice neat feet and good muscle. Moved ok when she put her mind to it, her profuse coat made it look like her topline wasn't level, but on examination it is. Not using her ears and tail to her advantage in the ring, just lacking in ring experience.

JUNIOR BITCH (3)
1ST Felters & Rumens Birselaw Caol Ila At Landbuck RBCC
Red Brindle Lovely feminine bitch who impressed me from the off for one of a young age good stop nice large teeth dark eye, good length of neck leading into correct shoulders good forechest, correct harsh double coat and supple loin leading to a well set on tail, good angulation. She moved with drive and kept a good level top line while doing so, very showy attentive girl, who I'm sure has a very bright future.
2ND Firth's Birselaw Cora At Cairngold
Dark red brindle with a very desirable feminine head, a little smaller than my 1st place, lovely girl with neat ears and a dark eye, nice length of neck and good shoulders, again good forechest and a profuse double coat level top line held on the move good drive from the rear, just preferred all round balance and showmanship of 1 today.

Wheaten bitch, dark points, good dark eye of the correct shape, nice large teeth, neat well set ears, well sprung ribs, profuse double coat of the correct texture, level top line and well set on tail good muscle and bone she moved well when she did but was not on her a game today, she was very distracted by smells in the ring, which was a shame as she is a lovely girl with lots of potential
