

## South Wales and West of England Cairn Terrier Club Championship Show – Judge Mrs M Sorum

It was a great pleasure to be invited to judge the South Wales and West of England Cairn terrier club Championship Show October 15th. Thank you to the officers, committee and my stewards Lyndia & Tony Salmon who were a great help during the day.

It was my third time judging in the UK and I was very honoured and proud, I enjoyed it enormously. It was a new venue with plenty of space indoor and out. I stayed in a very nice cabin with lovely views over the area from my terrace, it was also big enough when it was getting cold for the cozy get-together after the show. The venue would also be perfect for outdoor shows with room for caravans and motorhomes.

I have to say that the overall quality of the dogs has improved a lot since my first appointment. (Back then, there were several missing teeth and many of the teeth were very small, there was lack of forechest, depth and length of rib, many lacking front and rear angulation and stop). But generally, it is the bitches who are consistently better, although my BIS was a young boy who got under my skin as soon as he entered the ring!

I did have a lot of very lovely dogs that I would love to take home!

If I am asked to judge in the UK again, I would need to do the full critique on the day, English is not my native language and sometimes it is difficult to find the right words.

Thank you
