Southern Cairn Terrier Club – Judge Mrs E J Longdin

Thank you for inviting me to judge the show. This was a super entry with some top quality Cairns present. In bitches I felt there were 5 or 6 worthy of a CC and some quality young males still to reach their potential. Exhibits were in good condition and nicely presented, and generally sound and of good Cairn type. I particularly noted good dentition and clean teeth.

It came down to my main winners being up on their toes, presenting a good outline and moving out with purpose in true Cairn style.
