THE SOUTHERN CAIRN TERRIER CLUB CHAMPIONSHIP SHOW – Judge Mrs M Bennett

I would like to thank the Committee of the Southern Cairn Terrier Club for inviting me to judge their show and to the exhibitors for allowing me the pleasure of going over their dogs. The SCTC Ch Show was the first Ch Show I attended, before I started showing, so I was proud to be a judge at this Club Show. My thanks also to my multi-tasking steward, Sharon, who kept the day running smoothly.

In the exhibits I judged today, I was looking for those that met the breed standard closest and showed correct movement, both front and rear. I was pleased to see that in the challenge for both sets of CCs, all those who were placed first in their class, had shown correct movement. Many of the classes were very close in my decision making, however how good a cairn looks standing or on the table can be very different on the move. I do believe that if a cairn moves correctly this is a good indication of a well put together cairn.
