SOUTHERN CAIRN TERRIER 81ST CHAMPIONSHIP – Judge Mrs L Saich

I felt very honoured to be asked to judge this club show and what a lovely happy atmosphere prevailed. I was very pleased with the general type of dogs that I had the pleasure to go over I wished I had more firsts to give out. One thing which concerns me is the shape of the eye – in our standard we do not have definition of their shape only their size– for me I was surprised to see large round and quite prominent eyes and colours ranging from black to very light hazel. This spoils their wicked expression. Huge thanks to my three wonderful stewards.
