Southern Counties - Judge Mrs S H Juutilainen [Finland]
Very interesting Terrier day in Southern Counties 2024 started with nice entries of Cairn Terriers I found so many Cairns today with typical natural appearance both standing and moving. Very nice strong long ribcages and quarters. Lovely very drive with excellent outlines – typical tail and head carriage and attitude. Most of them today with nice weather-resistant coats with nice quality.

SBD/B (2)
1 Svendalens Max In A Million (Ortolano) very typical Cairn with nice proportions and bones in good balance. Very nice head and dark eyes and so well set ears. Moved with enough attitude and balance. Very nice coat quality and condition.
2 Cannwood Can't Get Enough (Metcalf-Sault) Three years old wheaten dog with very nice outlines and substance and enough strong muscle condition. Quality head type and expression. Moved with very nice drive and tail carriage.
