

SCTC - 2025 Open Show 3rd May 2025

Firstly, thank you to the committee for asking me to judge this well-run show, the weather was kind and got a little warmer towards the end of the show. Thank you to all the people who kindly entered under me with their dogs and lastly thank you to my 2 stewards, Gerry and Sharon for keeping the ring in order. I would have liked to have had baby puppy classes as it's good to get the youngsters out for a little experience and I have enjoyed this class at other breed club shows, may be for next time.
