A Message from Our Judge Marion Sargent

I have been involved in show dogs since 1980, when I brought the first Akita into this country in recent times. I campaigned the breed through Rare Breed status, until they got their Championship status in 1990. I was privileged to own the first Akita to become a UK Champion, and he went on to become the breeds first All Breed Championship Show winner in the same year. I awarded CC's in the breed also in that year. I have since become more known for judging and I am currently passed for around 70 breeds over all 7 groups, I judge 5 Groups and BIS at Championship level. I can also be found behind the scenes, at shows. I am a Secretary for a couple of clubs, Treasurer for another, and Breed Education Co-ordinator for several breeds. My thanks to the Midland Cairn Terrier Club for their invitation to judge some lovely dogs.

DEFINITIONS OF CLASSES

The word "dog" includes both sexes

In the following definition, a Challenge Certificate includes any Show award that counts towards the title of Champion under the rules of any governing body recognised by the Kennel Club.

Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows.

In the case of a dog owned in partnership and entered in Members' classes or competing for members' specials, each partner must at the time of entry be a Member of the Society.

In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of postal entries shall be counted when entering for any class i.e. 23 May 2026

Wins in Variety Classes do not count for entry in Breed classes, but when entering for Variety Classes, wins in both Breed and Variety Classes must be counted.

A Variety Class is one in which more than one Breed or a variety of a breed can compete.

First prizes awarded in any classes defined as Special do not count towards eligibility.

(b) For an exhibit entered incorrectly in a Minor Puppy class, Puppy class or Junior class, which is over age but under twelve calendar months of age, eighteen calendar months of age or 24 calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy class, Junior class or Yearling class respectively for the correct colour, sex, weight or height or in the event of there being no Puppy, Junior or Yearling class respectively to the Open class for the correct colour, sex, weight or height.

(c) For any reason other than the above, the Show Secretary shall transfer it to the Open class for the correct colour, sex, weight or height.

12. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not completed on time, and then only with the special permission of the show Management.
13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not to touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.

15. All dogs resident outside of the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/ event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
16. Dogs in **Vehicles on Hot Days**. Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route and leave earlier to avoid increased time in traffic jams. If your vehicle is not air-

conditioned seriously consider whether travelling to the show is a good idea at all. The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink. Ensure your dog is not sitting in full sunlight. There should be plenty of free-flowing air around the dog. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Limited Rules and Regulations. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

17. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Royal Kennel Club registered. Not for Competition entries will be accepted for dogs aged 3 calendar months of age on the first day of the show.

18. Should any judge be prevented from fulfilling their engagement, the Committee reserves to themselves the right of appointing other judges to fulfil their duties. Exhibitors are at liberty to withdraw from competition, but no entry fees can be refunded.

19. No modifications will be made to this schedule except by the permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.

20. This show will be held under the Rules and Regulations of the Kennel Club.

21. An exhibitor or competitor should ensure that contact details for any handler are available and must be provided upon request in any investigation of a breach of this regulation by such handler.

Security at Shows

In light of recent events The Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore, the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.
