

## CAIRN TERRIER

Judge: Mr Veli-Pekka Kumpumaki

First of all I would like to Express my gratitude to all of you who showed under me at the National. Thank You! I would also like to say Thank You to my excellent ring staff for making my day so easy. I was really looking forward to this judging appointment with some of my favourite breeds including the Cairn terrier. To be honest the quality in general let me down a little. I think many of them needed better anatomy and also courage to show themselves as terriers should do even if they were of a nice breed type. A good Cairn terrier is always free showing carrying himself with dignity and moving with a purpose. I think some of the younger ones succeeded well on this matter and I was pleased with several puppies and juniors. My main winners were all lovely including the veterans. I wish I would have been able to give out two CCs for both sexes. I was very Happy with my Best of Breed and she looked lovely in the group finals. The male my BOS will have a Great future ahead of him and that is a fact. - I wish you all a Lovely Summer with your Cairnterriers.
