## **Class 1519 PD (3 Entries) Abs: 0**

1st: 4094 PERCY, Mrs J Winetta Nordic Design

loved the head & has the expressive eyes set widely apart, good neck length & flowing into his sloping shoulders, liked for size & in good coat & condition, raw & having lots of fun which is lovely to see, correctly shaped & sized feet with thick pads, hocks firm & well let down, a dog of pleasing shape & balanced front to back.

2nd: 4101 SMITH, Miss Josephine Cloverbrook Pol Roger Of Gethlee

shade taller on the leg than 1st, prefer head shape at this stage of 1, correctly set ears, good neck length, in good body condition & fill, another who is full of character & having fun, well sized & shaped feet.

## **Class 1520 JD (2 Entries) Abs: 0**

1st: 4080 GRIFFITHS, Mrs Tina Wonderpaws Darth Vader

standing himself well forward on his front & raring to go, good strong jaw with correct bite, eyes set well apart & his ears are alert, lovely profile when standing, just needing to fill out over his loin, moved true fore & aft, good double coat, correct feet.

2nd: 4095 ROSE, Miss Penelope J A & HARRISON, Mrs Rosemary Carradine Little Bird

harsh top coat but would prefer more undercoat, he is a pleasing male size, head of good proportion to body size, well set eyes & ears alert to attention, very exuberant & not giving his best performance due to this today.:

## **Class 1521 PGD (2 Entries) Abs: 0**

1st: 4073 DENNIS, Miss S & WAITES, Mrs Alison Svendalens Moon Stone

abundance of undercoat but not in his best top jacket today, just enough to see is of correct texture, moved better in rear than in front today, lovely head shape & size, well set eyes, correct feet size front & rear, at times tail a shade highly carried.

2nd: 4074 DODDS, Mrs Patricia Droverlaw Remember My Name

preferred the more profuse double coat of this one but rather lethargic on the move today, of good masculine size & nicely bodied up, firm level top line, tail of good length & set.

## **Class 1522 LD (2 Entries) Abs: 0**

1st: 4085 LAMB, Ms Josephine & SALTMARSH, The late Mr Bernar Tycadno Shining Star Around Macmoon JW

particularly good on the move he has that free flowing stride and agile attitude, showing himself all the time, strong firm jaws with good bite, well defined stop & eyes wide apart & alert in his expression, carrying just the right amount of body weight, firm top line well held, ribbing is well sprung & his loin is firm yet flexible, well placed hocks & tail well set & carried.

2nd: 4098 SINCLAIR, Miss Janet & TOTHILL, Mrs Julia Tycadno Starburst At Hreysihiu pleasing in head, neck & shoulder set, well bodied, looked as if he was reacting to the warm sun & not giving his best performance today, prefer the tail set on of 1st, well shaped feet & thick pads.:

**Class 1523 OD (5 Entries) Abs: 1**

1st: 4086 LUCAS, Miss Rosemary Carol & TOBUTT, Mr Ian Anthon Ch Carradine Sir Percival such a well balanced dog with sound movement which is free with a good length to his stride & strong powerful push from his rear which put him in top spot today, alert & showy male shade smaller than the rest of the class but this is a good point, balanced in head & body proportions his eyes are wide apart & his ears he uses well they are pointed, erect & just enough covering of coat on them, well set neck into a front that has well placed slope to shoulder, his ribbing is well sprung but not heavy loaded, correct feet fore & rear, excellent tail length & set on, double coated & well presented yet still very workmanlike.

2nd: 4092 PARKIN, Mrs E R Mossput Into The Shadows

in full double coat, larger all through than 1st, strong jaws & has well placed eyes, well sprung ribbing & flexible but firm in loin, stood holds a level top line & also keeps it firm on the move, correct tail carriage & set on, good feet & thick pads.

1st: 4087 LUND, Mrs Kim Elizabeth & LUND, Mr Trevor Caringold Brandy Snap By Jorvikairn

9 yr old & she still shows alert agile tendencies, enjoying her time in the show ring, pleasing in head, eye & expression with erect ears, a little heavy in ribbing now in her senior years but still firm in her top line, moved well, in full double coat.

**Class 1525 PB (3 Entries) Abs: 1**

1st: 4102 SMITH, Mrs Linda H My Girl Hopes Promise Naf

so feminine & has a lovely body shape for her young age, stands herself firm both front & back, good coat that is well presented, tail well set & carried, settled into a good lengthy stride with good top line held firm, hocks well let down & firm.

2nd: 4090 MUNDAY, Miss S & MUNDAY, Miss E Furythor Truly Scrumptious

another promising youngster in fine fettle just not getting her act together on the move today, lovely head shape, eyes well set apart & alert ears, good length to her neck & in good body for young age, in good coat, prefer the tail length of 1st but is well set on.

**Class 1526 JB (1 Entries) Abs: 0**

1st: 4083 HIAM, Miss L & HARRISON, Mrs R A Carradine Boozy Suzy

so feminine & full of life she is one for the future but a slow maturer, firm jaws & good bite, her ears were small, erect & attentive, she never stopped showing for her handler & was desperate to please, lovely ribbing & body correct for this stage, covering the ground with ease & little effort, good tail length & set on, double coat correctly presented.

**Class 1527 PGB (2 Entries) Abs: 0**

1st: 4075 DODDS, Mrs Patricia Droverlaw Blossom In Bloom

very harsh top coat & depth of undercoat, looks heavy but feel it is her dense coat that gives that appearance, moved soundly fore & aft, well shaped head & fair in neck length, stands firm in her rear which is well muscled, correct tail set on & length, firm feet.

2nd: 4096 SHANNON, Miss B & STORR, MR DANNY Brenndarcy Supertramp

shade heavier all through in her build & size, correct ribbing & firm loin, playing up her handler today & mind not on the job in hand, in good coat of good texture, difficult to assess her movement today.

**Class 1528 LB (5 Entries) Abs: 0**

1st: 4072 BINGHAM, Mrs Jane Ann & STOKES, Mr Adrian Carradine Miss Hayley

lots to like & strongly considered for higher spot just feel needs to mature more, she is so feminine & pleasing for her size, head & body well proportioned, good length of neck, lovely slope to her shoulder & liked her medium length of leg, stands firm front & rear, elbows well held, not a heavy coated bitch but it is double & of good texture, shows herself well with that active game look at all times.

2nd: 4078 FIRTH, Mr Alan & FIRTH, Mrs L & FIRTH, Miss A Glenrood Silent Whisperer At Cairngold

similar in size & shape she is another quality bitch with lots to admire, desirable head which is well proportioned to her body, firm level top line, liked her shoulder set, stands with elbows tucked into her body nice & firm but does not restrict her lovely reach in front, prefer the more positive drive of 1st today, in good double coat & hard muscular condition with well shaped & sized feet, tail carried correct & well set on.

**Such a lovely class to judge.**

1st: 4079 GRIFFITHS, Mrs Tina You're So Bossy Seglavi With Wonderpaws

has that rough & ready for action look about her, well presented double coat that has the desirable texture & is profuse, dark hazel eyes set well apart, good ear carriage, fair in her neck length, particularly well placed shoulders with firm elbows close to her body, ribbing is well sprung & carrying correct body weight, firm flexible loin, excellent in top line, showed herself well as she also moved soundly with a free flowing action. Delighted to award her C.C. & even more delighted to be told this was her third, well done.

2nd: 4093 PERCY, Mrs J Ariom Calypso Dancer With Winetta

liked this one very much & in tip top condition just loosing out on maturity, yes maturity is not a fault but for tickets I feel the finished product is preferable & that was all I could fault her on, one I think will easily go to the top in the breed as has so many breed qualities, super head shape & balance, strong jaw & big teeth, lovely eye placement & dark hazel in colour, small erect attentive ears, body shape is correct just needs that little more fill in her ribbing, excellent top line, firm loin, desirable rear stance & movement, excellent coat & presentation.
